

Cat Skeleton Teacher Guide

Worksheet Guide:

Materials needed: *Cat Skeleton Model*, *Cat Skeleton Model Quick Start Guide*, *Cat Skeleton Worksheet* and *Cat Skeleton Worksheet Answer Key*.

Steps for using the *Worksheet* with the *Model*:

Step 1: Have students study the skeletal system of a cat using the *Quick Start Guide* and *Model*.

Step 2: After using the *Quick Start Guide* to get an understanding of the different bones, hand out the *Worksheet* for students to complete.

Step 3: See the *Answer Key* to correct the *Worksheet*.

Key Terms:

Have students identify and write the correct name with the correct bone on the *Worksheet*:

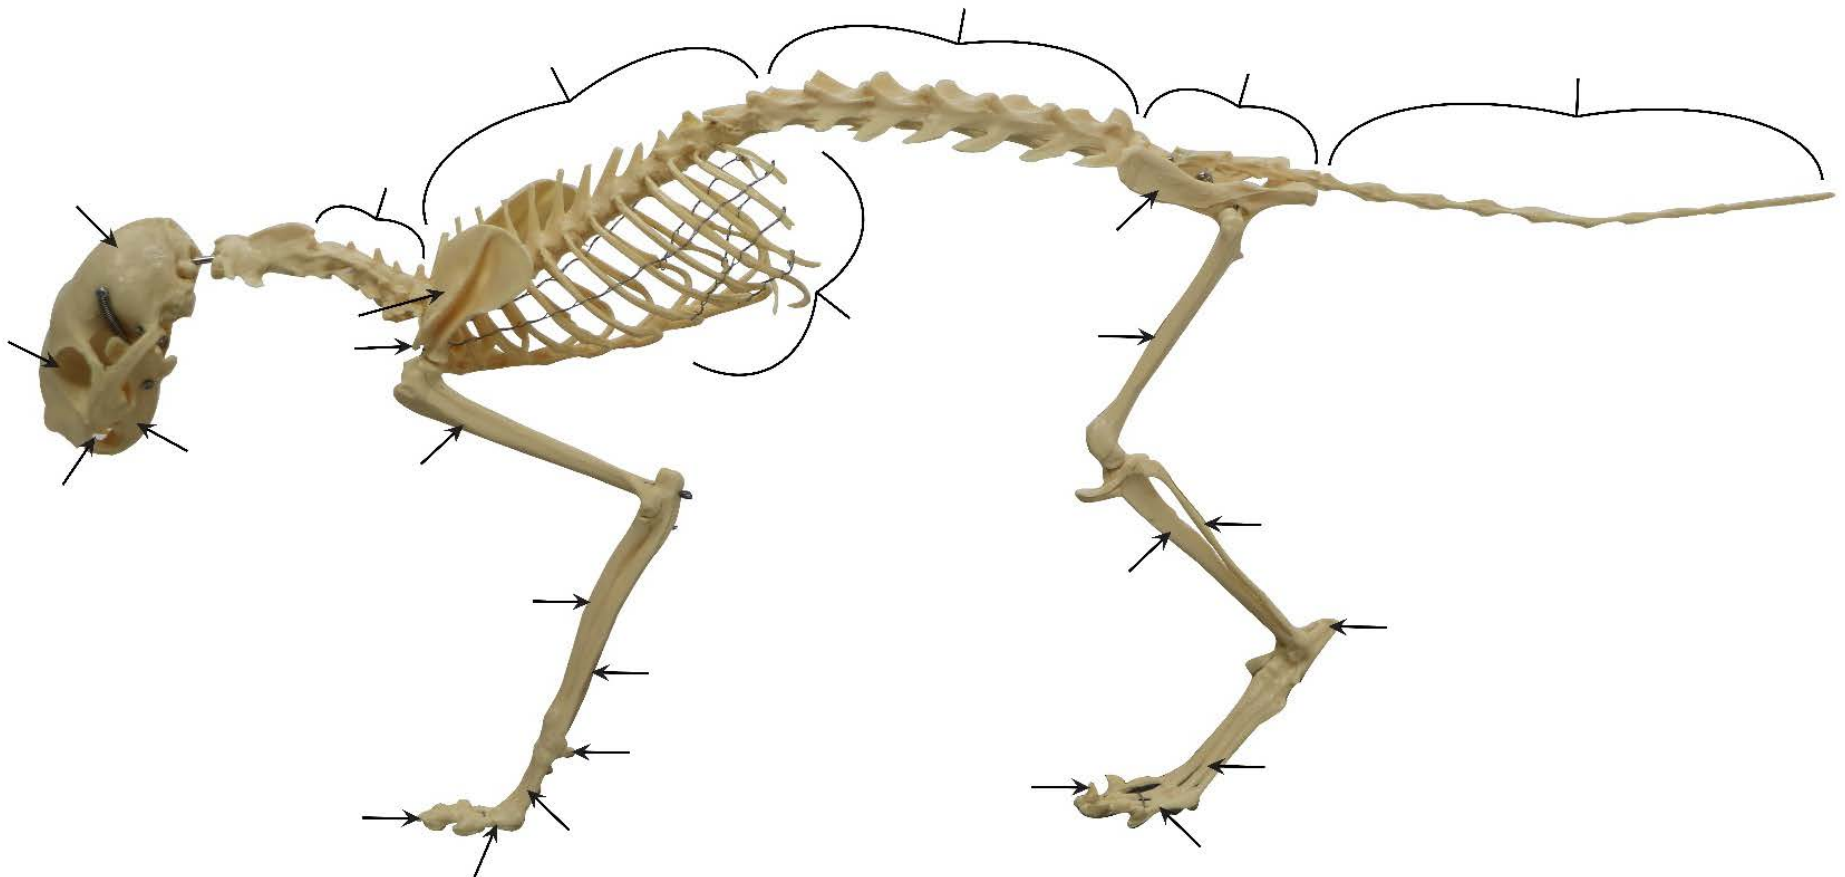

- | | | |
|-----------------------------|---------------------|-------------------|
| • <i>Skull</i> | • <i>Tarsus</i> | • <i>Ulna</i> |
